Thank you. I also think it's very important to meet the team and get everyone on the same page. We are obviously working towards the same goal. Talk to you soon.

Cindy:

I would like to thank you and Ed for taking time to meet with Connie and I on Tuesday with respect to the US Oil Site. It is always good to meet the team I'm working with.

If there is any information I can assist the Agency with please let me know.

Thanks again,  
Randy C. Smith.
